The First Team's season started badly, with 6 defeats and one draw in their first 7 competitive matches. Results slowly improved, leading to an eventual mid-table finish. A good run in the George John Memorial Trophy led to a final appearance vs. FC Inter Malone. Jonny Day top scored again – a hat-trick in the team's last game meant that he took the Golden Boot, with 30 goals.

Sunday XI Manager's Report - 2022-23

A new season and a new format in the Hitchin Sunday League. 2 divisions each containing 15 teams. 28 league games and cup competitions to fit in the season. Midweek kick offs and double header games already in the league's minds to fit all the games in.

Quite a few new players joined for this season which bolstered our numbers up to 30 players.

After a rocky start, losing or drawing our first 5 games, we finally got off to winning ways and the team started to gel and get to know how each other played and we started to play some quite attractive football.

Unbeaten from January to the beginning of April saw us get into a reasonable position in the league. April onwards saw us struggle with the amount of games scheduled due to quite a few games called off during December and January. Two Double header games and 3 midweek games in the space of 2 weeks took its toll having lost all these games.

We got ourselves to the George John Memorial trophy final in early May, but unfortunately lost to the league leaders at the time.

Lost a few players during the season with long term injuries, but hopefully they will all recover during the summer break and be ready for next season.

I would like to thank all the players for their efforts and commitment this season. Managed to get a squad of 15/16 every week.

Macca
